Bangalore University

St. Claret College | Jalahalli, Bengaluru

### PUC | PCMB | Mar 2023 | 83.83%

Department of Pre-University Education Karnataka

MES Pre University College of Arts, Commerce & Science | 15th Cross, Malleshwaram, Bengaluru

### SSLC | Jul 2021 | 91.68%

## PROJECTS

---

### Blabyrinth – Peer-to-Peer Chat Application

HTML, CSS, JavaScript | [GitHub: microdoomz/Blabyrinth] | March 2024 – Present

- Developed a web-based, real-time chat app allowing secure communication between two users.
- Implemented peer-to-peer messaging using JavaScript and the PeerJS library for direct browser connections.
- Managed dynamic chat user interfaces with responsive layouts using vanilla CSS and HTML.
- Added features such as message reply, typing indicators, and media sharing for a richer chat experience.
- Utilized GitHub for code hosting, version control, and open-source collaboration.
- Ensured a seamless user experience with minimalist, dark-themed UI design and robust error handling.

### College Placement Portal – Full-Stack Web App

HTML, CSS, JavaScript, React, Supabase, Google Authentication | March 2025 – Present

- Architected and developed a modern, secure web application to automate and streamline campus placement processes for students, placement officers, employers, and alumni.

## EXPERIENCE

---

### Customer Support Analyst

Cimmons Integrated Services Pvt. Ltd. | Bengaluru, IN | Apr 2023-Aug 2023

- Provided customer support through multiple channels to resolve inquiries efficiently.
- Maintained customer databases, ensuring accurate and up-to-date information.
- Conducted regular follow-ups with customers to ensure satisfaction with services provided.
- Identified customer needs and provided solutions in a timely manner.

## CERTIFICATIONS

---

- Multimedia & Graphics | Design Roots Academy | 2023
